

## Diamond is forever

Thanks to our partners, we work in the industry of diamonds' trading.  
Our knowledge takes its roots in the long-standing experience of the Company Management's family.

We can offer American certified G.I.A. diamonds with laser inscription, established at very competitive prices, equalized to the international diamonds' list: the **RAPAPORT DIAMOND REPORT**.

Each diamond is equipped with Certificate of Origin, they don't hail from conflict areas, according to the ONU Resolutions n. 1173, 1174, 1306, 1343 and each supplier joins the "best diamond trade practice" which guarantees the dearth of exploitation of child labour.

We select diamonds of any carat weight, colour, clarity and cut and we're able to relocate them on the market by means of customer's mandate.

We'll be glad to welcome you to lay and to discuss this opportunity further.

Looking forward to hearing from you soon.
