Dear Valued Customer,

Our Swiss company (Cold Chain Vision SA) has been operating for years in the marketing of products related to the pharmaceutical sector.

In this period, given the emergency, we specialized in the marketing of personal protective equipment and specifically:

- kn95 masks (standard ffp2) with all CE certificates available
- the so-called "surgical" masks with all the CE certificates available

Gladly available to provide these products if necessary:

- Kn95 @ 3.9 euros FOB china or FOB switzerland + shipping costs (express courier)
- "Surgical" with three layers @ 1.3 euro FOB china or FOB switzerland + shipping costs (express courier)

We remain available for any requests.

Cold Chain Vision SA
